RESEARCH INTERESTS

Computer Security and Privacy

EDUCATION

Newcastle University

MSc Advanced Computer Science - Semester 1 Grade: 79.35 % [🔗](#)

Sept. 2023 - Present

Newcastle, United Kingdom.

Fountain University Osogbo

Bachelor of Science in Computer Science - Grade: First Class Honours

Supervisor: Mr. Lawal Mohammed

March. 2018 - Apr. 2021

Osogbo, Nigeria.

Federal Polytechnic Bida

National Diploma (associate degree) in Computer Science

Nov. 2015 - Sept. 2017

Bida, Nigeria.

RESEARCH EXPERIENCE & PROJECTS

Secure Chat System

March 2024

MSc Module: Research and Group Project in Security and Resilience

Newcastle, United Kingdom.

- Participated in an 8-member team project focused on developing a secure chat system that allow text and file exchange.
- Engaged in threat modelling and security policy development to identify potential adversaries, and define their capabilities and motivations to ensure the chat system's resilience .
- Implemented a chat system leveraging the Spring Boot and Spring Security frameworks in Java, employing WebSocket for encrypted message exchanges between clients and servers.

Predictive Analysis Of Weather Trends

December 2023

MSc Module: Machine Learning

Newcastle, United Kingdom.

- Conducted an analysis of weather data collected over 12 months using a Raspberry Pi computer, aiming to predict weather conditions at intervals ranging from 5 minutes to 12 hours.
- Explored various forecasting models, including Long Short-Term Memory (LSTM), Autoregressive Integrated Moving Average (ARIMA), and Moving Average, based on their strengths and suitability for time series data.
- Derived an optimised model architecture for the LSTM neural network, achieving an R-squared score of 0.9827.

Undergraduate Project : Real-time Face Detection and Recognition

June. 2020 - Nov. 2020

Fountain University Osogbo

Osogbo, Nigeria.

- Conducted a review on face detection and recognition systems, examining strengths, weaknesses, and application areas.
- Presented the progress and outcomes of the project to audiences ranging from 10 to 40 individuals, including lecturers and peers.

TEACHING EXPERIENCE

10 Academy

Aug 2022 - Jan. 2023

Careers Tutor (Supervisor: Arun Sharma)

Addis Ababa, Ethiopia.

- Designed and led 3-hours per week career development lectures for 30 web3, data science, and machine learning trainees, demonstrating skills in curriculum planning, content delivery, and audience engagement.
- Graded and provided detailed feedback on career exercises to over 35 trainees, enhancing preparation for job search phase post-training completion.
- Delivered holistic job search support to alumni, encompassing tailored reviews of resumes and cover letters, and personalized interview coaching, which enhanced their candidacy.

AWARDS & ACCOLADES

- **2023 Chevening Scholarship:** Total costs for a master's degree at Newcastle University, covering visa application fees, tuition, living expenses, and travel allowances.
- **2023 Commonwealth Shared Scholarship:** Full funding for a Master of Science in Financial Technology at the University of Stirling. (*Award declined in favor of Chevening Scholarship.*)
- **100% Scholarship (valued at \$12,000):** Funding for Master of Science in Computer Engineering at Kadir Has University, Istanbul, Turkey. - 2022 (*Award declined*)
- **AIT Partial Scholarship (Approximately \$14,000),** towards a master's in Data Science & Artificial Intelligence at the Asian Institute of Technology, Thailand. - 2022 (*Award declined*)
- **2019 Most Outstanding Student Award,** College of Natural and Applied Science, Fountain University Osogbo.

OTHER WORK EXPERIENCE

Student Ambassador

Oct. 2023 - Present

Newcastle University.

Newcastle, United Kingdom

- Involved in university events and marketing initiatives, including leading Open Days, guiding campus tours, and participating in focus groups aimed at enhancing the student experience.

Administrative Assistant

Oct. 2021 - Oct. 2022

Directorate of Admissions, Examination and Records, Kaduna State University.

Kaduna, Nigeria

- Inspected undergraduate examination procedures, ensuring adherence to academic standards and upholding the integrity of the assessment environment.
- Coordinated student complaints and appeals for admissions and exams.
- Catalogued important documents and guided new students through the registration process.

Information Technology Helpdesk Intern

March 2019 - Aug. 2019

Nigerian National Petroleum Corporation.

Abuja, Nigeria

- Served as the primary technical support contact for a network of over 100 computer users, resolving an average of 5 queries per day.
- Explained technical details in understandable terms for all support interactions.
- Achieved a high satisfaction rate through diligent follow-ups, ensuring resolution of user issues.

PROFESSIONAL MEMBERSHIPS

- Black in AI, **Member**
- Society for Multidisciplinary and Advanced Research Techniques in Africa, **Member**

SKILLS AND HOBBIES

Operating System: Linux, Windows

Static Analysis Tools: SonarQube

Hobbies: Watching and playing football, playing FIFA, talks about computer security and listening to afrobeat music.
